What can you do in your community to get Public Safety / Law Enforcement Involved in Safe Routes?
WHATEVER IT TAKES!
* Whether you have a PD, Sherriff’s Office, Metro PD, Village, Township, they all have resources.

* In today’s times with relationships involving police and community, police departments are dying to have positive interaction with citizens that they serve.

* Use your local politicians to get things going if you don’t feel you are getting the support from Law Enforcement.
